

Centered Riding is pleased to announce that its 2009 Yearbook will contain a special section honoring the life of Sally Swift, who passed away on April 2, 2009. The book will be printed in **full color** and will contain photos and details of Sally's life not previously published. You will read more about the loss of her beloved horse Douchka and the reason why this loss was particularly painful for Sally, the story of the "footprint" that was near and dear to her heart, the last interview Sally gave about sailing with her father, and the trip Sally took to Martha's Vineyard shortly before she died. You will also read about a document found in Sally's home after her death – something that she wrote when she was twelve years old that will bring warmth to your heart, a smile to your face and a tear to your eye! The 2009 yearbook will also contain GREAT educational information about applying Centered Riding to your riding. The price will remain the same price as last year – **\$29.95**. Shipping will be \$5.00 to the U.S. and Canada or \$11.00 to addresses outside of North America. **This is a wonderful gift for any riding enthusiast – so be sure to consider it for holiday gifts.**
